First Europe Proposal

To: RDA Steering Committee

From: Renate Behrens, European Regional Representative

Subject: Proposal on Sources of Information (RDA 2.2.2)

Abstract

The following proposal covers three aspects of RDA 2.2.2 (Preferred Source of Information), which came up in the German-speaking community during the implementation of RDA. Accordingly, the proposal is subdivided into three parts.

1. Resources Consisting of Moving Images

1.1 Background

For moving image resources, RDA 2.2.2.3 stipulates to “use the title frame or frames, or title screen or screens, as the preferred source of information”. However, actually playing such a resource is a highly unusual practice in the German-speaking community, and only used in rare cases. On the one hand it is felt that routinely playing the resource
What is expected from a Region Representative?

- Providing communication
- Bringing together expertise and experts
- Providing information channels
- Coordinating votes and achieve consensuses
- Transport single opinions when they are essential for a community
- Develop organizational structures
- Manage many groups, committees and individuals
- Take into account the special requirements of Europe and bring them into the international level
- Support of European partners by implementing RDA
What does it mean to be a Region Representative?

- Satisfy all participants
- Decisions have to be made sometimes very quickly
- Sometimes the Europe Rep has to decide on his own
- The coordination with the communities is sometimes lengthy and who is the community?
- The workload is enormous
- It is a full-time job, but has to be done in part-time
- It makes one happy working with so many different people!

3R Project and Europe

- The RSC+ (members and WG chairs) discusses the restructuring and revision of existing content, and share the drafting of new content.

- The Europe Region Representative shares documents with the Editorial Committee for comments.

- Even if there will be no review procedure in 2017, all members of EURIG are invited to bring up ideas and recommendations especially concerning translations or topics of European interest.
I Ideas, Needs, Suggestions ... for Europe?

- How to bring together European interest?
- How to build up a European community?
- Provide a European Wiki?
- More European members in the RSC working groups?
- How to solve the workflow under a „European way of Life“?
- ?
