

RSC Action Plan 2022-2024

Standing Tasks (done every year):

- Direct RDA development to ensure continued alignment with the governing objectives:
 - Responsiveness to user needs
 - Cost efficiency
 - Flexibility
 - Continuity
 - Internationalization
- Ensure an international focus for RDA instructions and examples; report yearly on progress toward internationalization of the standard
- Provide content updates of RDA for Toolkit releases
- Be responsive to user feedback
- Continue RDA editorial cleanup (both in the Registry and the CMS) and guidance chapter development
- Add and adjust examples
- Refine processes (for translations, for policy statement updating, for Registry updating, etc.)
- Update RSC operations documents and create additional procedural documents as needed
- Review membership, tasks, and progress of all working groups
- Provide expertise and support for RDA communities
- Provide outreach to new communities as opportunities arise

2022

1 Develop RDA as a responsive and dynamic standard

- a. Receive and act on final report of Application Profiles Working Group
- b. Provide input as needed to task-and-finish working groups and act on submitted discussion papers or proposals
- c. Continue review of Community resources area and communicate decisions to users
- d. Address placement, potential integration, and functionality of application profiles within the Toolkit
- e. Be alert to developments with IFLA ICP review, IFLA MulDiCat, ISSN, ISBD, and Records in contexts-International Council on Archives (RiC-IAD) for their impact on RDA
- f. Assess continuing role and responsibilities for Education and Orientation Officer
- g. Contribute to the development of the Strategic Plan for RDA 2023-2025
- h. Expand and strengthen RSC communication
 - i. First the Technical Working Group, then the RSC:
 - 1) Prepare new guidance chapter on collection level description
 - 2) Begin BIBFRAME mapping
 - 3) Review the concept of performance aggregates (amalgamation instructions)
 - h. Toolkit development goals that impact the RSC:
 - 1) Refine Registry processes and fix bugs
 - 2) Consolidate the RSC website with other related Drupal sites, including development of space for regional committees and better sharing of content

3) Development of mapping tool

2 Increase the adoption of RDA

- a. Continue to support regional groups
- b. Provide orientation and support for RSC Representative from Latin America and the Caribbean when appointed

3 Provide relevant governance

- a. Recruit or re-appoint RSC position holders whose terms expire at the end of 2022, with sufficient overlap with current members for training purposes
- b. Review existing protocols and assigned liaisons with other information standards groups

2023

1 Develop RDA as a responsive and dynamic standard

- a. Together with the RDA Board, review the status of countdown clock and community implementations of RDA
- b. Provide input as needed to task-and-finish working groups and act on submitted discussion papers or proposals
- c. Further the development of the Collective Agent entity by creating a working group
- d. Re-establish the Music Working Group
- e. Further develop Nomen and Timespan instructions
- f. Continue BIBFRAME mapping
- g. Toolkit development goals that impact the RSC:
 - 1) Development of RDA templates

2 Increase the adoption of RDA

- a. Begin outreach to archival (or other) communities in collaboration with RDA Board, as appropriate

3 Provide relevant governance

- a. Recruit or re-appoint RSC position holders whose terms expire at the end of 2023, with sufficient overlap with current members for training purposes

2024

1 Develop RDA as a responsive and dynamic standard

- a. If needed, review status of countdown clock and community implementations of RDA together with the RDA Board
- b. Provide input as needed to task-and-finish working groups and act on submitted discussion papers or proposals
- c. Review soft-deprecated elements for consideration of full deprecation
- d. Toolkit development goals that impact the RSC:
 - 1) Development of visual browser

2 Increase the adoption of RDA

- a. Continue outreach to archival (or other) communities in collaboration with RDA Board, as appropriate

3 Provide relevant governance

- a. Establish new Archives Working Group
- b. Recruit or re-appoint RSC position holders whose terms expire at the end of 2024, with sufficient overlap with current members for training purposes
