

**To:** RDA Steering Committee

**From:** Dave Reser, LC Representative

**Subject:** Additions and revisions to *RDA* 2.15.1.3, Plate Number for Music

Thanks to the RSC Music Working group; we agree with the proposal. We note that the word “notated” was inserted before “music” in several places as a result of the August 2016 release, and should be represented in the SecFinal for this proposal.
