2023 Recommendation 7: Add elements for Corporate Body: governing jurisdiction and Place: governing jurisdiction of, in order to relate a corporate body that is a government to the place that it governs.

Approve in principle. I also reviewed this proposal in my separate role on the Canadian Committee on Cataloguing. That committee is suggesting clearer labels, “jurisdiction of government” (instead of “governing jurisdiction”) and “government of jurisdiction” (instead of “governing jurisdiction of”), which I support.
