Subject: Formal response to RSC/ReligionsWG/2023/2 – Proposal to revise
Term of rank or honour or office

General remark

Many thanks for the Religions Working Group for the proposal which we approve. We also suggest to split the newly added option (under Recommendation 3) into three according to the language to be used (i.e. Record a term of rank, office, or address (1) in a language in which the term was conferred, (2) in a language used in a country in which the person resides, or (3.) in a language preferred by the creator of the metadata) to make it clearer and easier to apply.
